RE: Approval of the OU 5
Responses to K₁ Sampling Report

Dear Mr. Craig:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) August 18, 1995, letter transmitting the Responses To Comments (RTC) and change pages for the Operable Unit (OU) 5 K₁ sampling and analysis results report.

The RTC have adequately addressed U.S. EPA's comments. However, RTC 3, 9, 10, and 12 have not been incorporated into the text of the report.

U.S. EPA hereby approves the report. U.S. DOE must submit revised change pages incorporating the responses to the above comments within thirty (30) days receipt of this letter.

Please contact me at (312) 886-0992 if you have any questions.

Sincerely,

James A. Saric, Remedial Project Manager
Technical Enforcement Section #1
RCRA Enforcement Branch
